

**Cable sleeve**  
**ASI-KT-FK**  
Part number: 165593

**Data sheet**

| Feature                        | Value                                      |
|--------------------------------|--------------------------------------------|
| Degree of protection           | IP65<br>In assembled state<br>To IEC 60529 |
| LABS (PWIS) conformity         | VDMA24364-B2-L                             |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress              |
