

# Free wheel unit FLSM-6-R

Part number: 188522

FESTO

## Data sheet

| Feature                                       | Value                   |
|-----------------------------------------------|-------------------------|
| Size                                          | 6                       |
| Direction of rotation                         | Clockwise rotation      |
| Mounting position                             | optional                |
| LABS (PWIS) conformity                        | VDMA24364-B1/B2-L       |
| Ambient temperature                           | 0 °C...60 °C            |
| Theoretical torque at 0.6 MPa (6 bar, 87 psi) | 0.15 Nm                 |
| Product weight                                | 100 g                   |
| Material housing                              | Wrought aluminium alloy |
| Material sleeve                               | Steel                   |
| Material shaft                                | Steel                   |
