

**Rod clevis**  
**SG-UNF3/8"-24-B**  
Part number: 546540

**Data sheet**

| Feature                        | Value                    |
|--------------------------------|--------------------------|
| Size                           | UNF3/8-24                |
| Based on standard              | DIN 71752<br>ISO 8140    |
| Corrosion resistance class CRC | 1 - Low corrosion stress |
| LABS (PWIS) conformity         | VDMA24364-B2-L           |
| Ambient temperature            | -40 °C...150 °C          |
| Product weight                 | 105 g                    |
|                                | 3.7 oz                   |
| Note on materials              | RoHS-compliant           |
| Material bolt                  | Steel<br>Galvanised      |
| Material clevis                | Steel<br>Galvanised      |
| Material nut                   | Steel<br>Galvanised      |
