

# Covering CPX-AK-P

Part number: 548757

FESTO

## Data sheet

| Feature                        | Value                                              |
|--------------------------------|----------------------------------------------------|
| Corrosion resistance class CRC | 1 - Low corrosion stress                           |
| LABS (PWIS) conformity         | VDMA24364-B2-L                                     |
| Relative air humidity          | 5 - 90%<br>Non-condensing                          |
| Degree of protection           | IP65<br>IP67<br>In assembled state<br>To IEC 60529 |
| Ambient temperature            | -5 °C...50 °C                                      |
| Product weight                 | 4 g                                                |
| Note on materials              | RoHS-compliant                                     |
| Material cover                 | PA                                                 |
| Material seals                 | NBR                                                |
| Material screws                | Steel<br>Galvanised                                |
