

# Centring sleeve ZBH-25

Part number: 8023856

FESTO

## Data sheet

| Feature                                            | Value                                                              |
|----------------------------------------------------|--------------------------------------------------------------------|
| Size                                               | 25                                                                 |
| Mounting position                                  | optional                                                           |
| Size of pack                                       | 10                                                                 |
| Corrosion resistance class CRC                     | 2 - Moderate corrosion stress                                      |
| LABS (PWIS) conformity                             | VDMA24364-B2-L                                                     |
| Suitability for the production of Li-ion batteries | Suitable for battery production with reduced Cu/Zn/Ni values (F1a) |
| Ambient temperature                                | -25 °C...60 °C                                                     |
| Note on materials                                  | RoHS-compliant                                                     |
| Material sleeve                                    | High-alloy stainless steel                                         |
