

**Sensor bracket**  
**DASI-E21-60-S8-SR**  
Part number: 8081066

**FESTO**

**Data sheet**

| Feature                        | Value                         |
|--------------------------------|-------------------------------|
| Size                           | 60                            |
| Design                         | For sensor M8<br>Sensor rail  |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity         | VDMA24364-B2-L                |
| Ambient temperature            | -10 °C...60 °C                |
| Product weight                 | 132 g                         |
| Type of mounting               | Via through-hole and screw    |
| Note on materials              | RoHS-compliant                |
| Material retaining bracket     | Galvanised steel              |
| Material screws                | Galvanised steel              |
