

## Reducing sleeve (square) DARQ-R-A-S14-S8-16

Part number: 8086383

**FESTO**

### Data sheet

| Feature                        | Value                                              |
|--------------------------------|----------------------------------------------------|
| Length                         | 16 mm                                              |
| Size of pack                   | 1                                                  |
| Design                         | Square socket and octagon drive<br>Reducing sleeve |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress                      |
| LABS (PWIS) conformity         | VDMA24364 zone III                                 |
| Product weight                 | 20 g                                               |
| Connection 1, function         | Drive outlet                                       |
| Connection 1, design           | SW14                                               |
| Connection 2, function         | Reducing outlet                                    |
| Connection 2, design           | SW8                                                |
| Note on materials              | RoHS-compliant                                     |
| Material sleeve                | Sintered steel, stainless                          |
