

**Rod clevis**  
**DARC-C6-U516**  
Part number: 8109941

**Data sheet**

| Feature                | Value              |
|------------------------|--------------------|
| Size                   | 5/16-24 UNF-2B     |
| LABS (PWIS) conformity | VDMA24364 zone III |
| Ambient temperature    | -40 °F...351 °F    |
| Material rod clevis    | Steel              |
| Note on materials      | RoHS-compliant     |
| Material bolt          | Steel              |
| Material lock          | Steel              |
