

**Bearing kit**  
**DADG-BK-1 3/4"**  
Part number: 8161153

**Data sheet**

| Feature                | Value                            |
|------------------------|----------------------------------|
| Size                   | 1 3/4"                           |
| LABS (PWIS) conformity | VDMA24364 zone III               |
| Ambient temperature    | -20 °C...74 °C<br>-4 °F...165 °F |
| Note on materials      | RoHS-compliant                   |
| Material seals         | NBR<br>PUR                       |
| Material housing       | Brass                            |
| Material bearing       | Composite material               |
| Material lock          | Spring steel                     |
