

# Clevis foot LN-200

Part number: 9038

FESTO

## Data sheet

| Feature                        | Value                                                                     |
|--------------------------------|---------------------------------------------------------------------------|
| Size                           | 200                                                                       |
| Based on standard              | ISO 15552 (previously also VDMA 24562, ISO 6431, NF E49 003.1, UNI 10290) |
| Corrosion resistance class CRC | 1 - Low corrosion stress                                                  |
| LABS (PWIS) conformity         | VDMA24364-B2-L                                                            |
| Ambient temperature            | -40 °C...150 °C                                                           |
| Product weight                 | 8678 g                                                                    |
| Note on materials              | RoHS-compliant                                                            |
| Material mounting              | Spheroidal graphite cast iron                                             |
