## Motor cable NEBM-SM12G8-E-25-Q5-LE6 Part number: 5105620

**FESTO** 

## **Data sheet**

| Feature  | Value                               |
|--|-------------------------------------|
| Cable designation                                    | Without label holder                |
| Electrical connection 1, function                    | Field device end                    |
| Electrical connection 1, design                      | Round                               |
| Electrical connection 1, connection type             | Plug                                |
| Electrical connection 1, cable outlet                | Straight                            |
| Electrical connection 1, connection technology       | M12x1 A-coded as per EN 61076-2-101 |
| Electrical connection 1, number of pins/wires        | 8                                   |
| Electrical connection 1, occupied pins/wires         | 6                                   |
| Electrical connection 2, function                    | Control side                        |
| Electrical connection 2, connection type             | Cable                               |
| Electrical connection 2, connection technology       | Open end                            |
| Electrical connection 2, number of pins/wires        | 6                                   |
| Electrical connection 2, occupied pins/wires         | 6                                   |
| DC operating voltage range                           | 0 V72 V                             |
| Nominal operating voltage DC                         | 24 V                                |
| Shield   | yes                                 |
| Cable length   | 25 m                                |
| Cable characteristic                                 | Suitable for energy chains          |
| Bending radius, flexible cable installation          | 62 mm                               |
| Cable diameter                                       | 6.2 mm                              |
| Cable design   | 6 x 0.34 mm <sup>2</sup>            |
| Nominal conductor cross section                      | 0.34 mm²                            |
| Wire ends  | Cable end sleeve                    |
| Degree of protection                                 | IP65                                |
| Note on degree of protection                         | In mounted state                    |
| Ambient temperature                                  | -40 °C80 °C                         |
| Ambient temperature with flexible cable installation | -5 °C80 °C                          |
| CE marking (see declaration of conformity)           | As per EU RoHS directive            |
| UKCA marking (see declaration of conformity)         | To UK RoHS instructions             |
| LABS (PWIS) conformity                               | VDMA24364-B2-L                      |

| Feature                  | Value          |
|--------------------------|----------------|
| Note on materials        | RoHS-compliant |
| Material of cable sheath | TPE-U(PUR)     |
| Color cable sheath       | Gray           |
