## Connecting cable KMP6-09P-8-5 Part number: 531185

## **Data sheet**

| Feature  | Value  |
|--|--|
| Conforms to standard                           | DIN 41652  |
| Cable designation                              | Without label holder                               |
| Contact durability                             | 50   |
| Product weight                                 | 454 g  |
| Electrical connection 1, function              | Field device end                                   |
| Electrical connection 1, design                | Rectangular  |
| Electrical connection 1, connection type       | Socket   |
| Electrical connection 1, cable outlet          | Straight   |
| Electrical connection 1, connection technology | Sub-D  |
| Electrical connection 1, number of pins/wires  | 9  |
| Electrical connection 1, occupied pins/wires   | 9  |
| Electrical connection 1, type of mounting      | 2x screw, 4-40 UNC                                 |
| Electrical connection 2, function              | Control side                                       |
| Electrical connection 2, connection type       | Cable  |
| Electrical connection 2, connection technology | Open end   |
| Electrical connection 2, number of pins/wires  | 9  |
| Electrical connection 2, occupied pins/wires   | 9  |
| DC operating voltage range                     | 0 V30 V  |
| Nominal operating voltage DC                   | 24 V   |
| Current rating at 40° C                        | 2.8 A  |
| Surge resistance                               | 1 kV   |
| Cable length                                   | 5 m  |
| Cable characteristic                           | Standard   |
| Connector cable test conditions                | Test conditions on request                         |
| Bending radius, fixed cable installation       | 76 mm  |
| Bending radius, flexible cable installation    | 114 mm   |
| Cable diameter                                 | 7.6 mm   |
| Cable diameter tolerance                       | ± 0.25 mm  |
| Cable design                                   | 8 x 0.34 mm <sup>2</sup> + 1 x 0.5 mm <sup>2</sup> |
| Nominal conductor cross section                | 0.34 mm <sup>2</sup><br>0.5 mm <sup>2</sup>        |
| Wire ends                                      | Cut off bluntly                                    |

| Feature  | Value                     |
|--|---------------------------|
| Degree of protection                                 | IP40                      |
| Note on degree of protection                         | In mounted state          |
| Ambient temperature                                  | -25 ℃70 ℃                 |
| Ambient temperature with flexible cable installation | -5 °C70 °C                |
| Storage temperature                                  | -25 ℃75 ℃                 |
| CE marking (see declaration of conformity)           | As per EU RoHS directive  |
| UKCA marking (see declaration of conformity)         | To UK RoHS instructions   |
| LABS (PWIS) conformity                               | VDMA24364-B2-L            |
| Note on materials                                    | RoHS-compliant            |
| Contamination level                                  | 2                         |
| Material of cable sheath                             | PVC                       |
| Color cable sheath                                   | Gray                      |
| Housing material                                     | PBT-reinforced            |
| Housing colour                                       | Gray                      |
| Material of screw-type lock                          | Brass, nickel-plated      |
| Material of pin contacts                             | Copper alloy, gold-plated |
