## End position controller SPC11-INC Part number: 537321

**FESTO** 

## **Data sheet**

| Feature   | Value   |
|---|---|
| Data backup   | Flash memory  |
| Control signals                                     | Remote/teach input/left/right Input, position 1/2/3/4 Error-Ready output Output, position 1/2/3/4 |
| Display   | 3-digit<br>Red color<br>Seven-segment display   |
| Control elements                                    | 3 pushbuttons<br>Touch sensitive keyboard   |
| Fuse protection for outputs                         | Electronic  Max. tripping current 500 mA  Via sum of all outputs                                  |
| Number of digital outputs                           | 5   |
| Number of digital inputs                            | 8   |
| Outputs type  | as per IEC 61131-2<br>Positive logic (PNP)<br>No galvanic isolation                               |
| Design of inputs                                    | as per IEC 61131-2<br>Positive logic (PNP)<br>No galvanic isolation                               |
| Debounce time at inputs                             | 20 ms   |
| Max. current consumption with proportional valve    | 1.1 A   |
| Max. current consumption without proportional valve | 80 mA   |
| Nominal operating voltage DC                        | 24 V  |
| Input current consumption                           | 4 mA  |
| Current rating per output                           | 0.1 A   |
| Permissible voltage fluctuations                    | +/- 25 %  |
| Certification                                       | RCM compliance mark   |
| CE marking (see declaration of conformity)          | As per EU EMC directive As per EU RoHS directive  |
| UKCA marking (see declaration of conformity)        | To UK instructions for EMC To UK RoHS instructions  |
| Continuous shock resistance to DIN/IEC 68 Part 2-82 | Tested as per severity level 2  |
| LABS (PWIS) conformity                              | VDMA24364-B2-L  |

| Feature   | Value                          |
|---|--------------------------------|
| Relative air humidity                                     | 0 - 95 %<br>Non-condensing     |
| Degree of protection                                      | IP65<br>as per IEC 60529       |
| Vibration resistance to DIN/IEC 68 Part 2-6               | Tested as per severity level 1 |
| Ambient temperature                                       | 0 °C50 °C                      |
| Product weight  | 400 g                          |
| Elec. connection of operating voltage, inputs and outputs | 15-pin<br>SUB-D<br>Plug        |
| Electrical connection, proportional valve                 | Socket<br>M9<br>7-pin          |
| Linear potentiometer electrical connection                | 8-pin<br>Socket<br>M12         |
