

# Clevis flange SNCL-25

Part number: 537793

FESTO

## Data sheet

| Feature                          | Value                         |
|----------------------------------|-------------------------------|
| Size                             | 25                            |
| Based on norm                    | ISO 21287                     |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity           | VDMA24364-B2-L                |
| Ambient temperature              | -40 °C...90 °C                |
| Product weight                   | 41 g                          |
| Note on materials                | RoHS-compliant                |
| Mounting material                | Wrought aluminum alloy        |
| Material of bearing              | Polymer                       |
| Material of screws               | Steel<br>Galvanized           |
