

Sensor bracket
SIEZ-NB-30
Part number: 538351

FESTO

Data sheet

| Feature | Value |
|--|-------------------------|
| Ambient temperature | -25 °C...80 °C |
| Size | M30 |
| Type of mounting | With through-hole |
| Product weight | 36 g |
| Housing material | PA-reinforced |
| Corrosion resistance class (CRC) | 0 - No corrosion stress |
| Selection of additional sensor information | Mounting attachments |
