

# Micro filter cartridge MS9-LFM-A

Part number: 553036

FESTO

## Data sheet

| Feature                          | Value                         |
|----------------------------------|-------------------------------|
| Size                             | 9                             |
| Series                           | MS                            |
| Grade of filtration              | 0.01 µm                       |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L             |
| Compressed air filter material   | Borosilicate fiber            |
