

**Distributor**  
**VABF-C8-12-V1P4-Q4**  
Part number: 562457

**Data sheet**

| Feature                          | Value                   |
|----------------------------------|-------------------------|
| Corrosion resistance class (CRC) | 0 - No corrosion stress |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L       |
| Max. tightening torque           | 0.6 Nm                  |
| Note on materials                | RoHS-compliant          |
| Housing material                 | PA-reinforced           |
