## Air solenoid valve **VUVG-L14-T32C-AZT-G18-1P3**Part number: 566505

**FESTO** 

## **Data sheet**

| Feature                                | Value  |
|--|--|
| Valve function                         | 2x3/2, closed, monostable                        |
| Actuation type                         | Electrical                                       |
| Valve size                             | 14 mm  |
| Standard nominal flow rate             | 560 l/min  |
| Pneumatic working port                 | G1/8   |
| Operating voltage                      | 24V DC   |
| Operating pressure                     | 0.15 MPa1 MPa<br>1.5 bar10 bar                   |
| Structural design                      | Piston gate valve                                |
| Reset method                           | Pneumatic spring                                 |
| Certification                          | RCM compliance mark<br>c UL us - Recognized (OL) |
| Degree of protection                   | IP40<br>IP65<br>With plug socket                 |
| Nominal width                          | 4.6 mm   |
| Exhaust air function                   | With flow control option                         |
| Sealing principle                      | Soft   |
| Mounting position                      | Any  |
| Manual override                        | Detenting<br>Non-detenting<br>Covered            |
| Type of control                        | Pilot-controlled                                 |
| Pilot air supply port                  | External   |
| Lap                                    | Overlap  |
| Pilot pressure MPa                     | 0.15 MPa0.8 MPa                                  |
| Pilot pressure                         | 1.5 bar8 bar                                     |
| Suitability for vacuum                 | no   |
| Switching time off                     | 25 ms  |
| On switching time                      | 9 ms   |
| Duty cycle                             | 100%   |
| Max. positive test pulse with 0 signal | 700 μs   |
| Max. negative test pulse on 1 signal   | 900 μs   |

| Feature                                  | Value  |
|--|--|
| Coil characteristics                     | 24 V DC: 1.0 W<br>24 V DC: low-current phase 0.3 W, high-current phase 1.0 W         |
| Permissible voltage fluctuations         | +/-10%   |
| Operating medium                         | Compressed air as per ISO 8573-1:2010 [7:4:4]  |
| Information on operating and pilot media | Operation with oil lubrication possible (required for further use)                   |
| Vibration resistance                     | Transport application test with severity level 2 as per FN 942017-4 and EN 60068-2-6 |
| Restricted ambient and media temperature | -5 - 50 °C<br>Without holding power reduction  |
| Shock resistance                         | Shock test with severity level 2 as per FN 942017-5 and EN 60068-2-27                |
| Corrosion resistance class (CRC)         | 2 - Moderate corrosion stress  |
| LABS (PWIS) conformity                   | VDMA24364-B1/B2-L  |
| Cleanroom class                          | Class 5 according to ISO 14644-1   |
| Temperature of medium                    | -5 °C60 °C   |
| Pilot medium                             | Compressed air as per ISO 8573-1:2010 [7:4:4]  |
| Ambient temperature                      | -5 °C60 °C   |
| Product weight                           | 89 g   |
| Electrical connection                    | Via electrical sub-base  |
| Type of mounting                         | On terminal strip With through-hole Optionally:                                      |
| Pilot air port 12/14                     | M5   |
| Pneumatic connection 1                   | G1/8   |
| Pneumatic connection 2                   | G1/8   |
| Pneumatic connection 3                   | G1/8   |
| Pneumatic connection 4                   | G1/8   |
| Pneumatic connection 5                   | G1/8   |
| Note on materials                        | RoHS-compliant   |
| Seals material                           | HNBR<br>NBR  |
| Housing material                         | Wrought aluminum alloy   |
