

# Support profile HMIA-E03- -

Part number: 567061

FESTO

## Data sheet

| Feature                          | Value                              |
|----------------------------------|------------------------------------|
| Max. profile length              | 3000 mm                            |
| Mounting position                | Any                                |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress      |
| LABS (PWIS) conformity           | VDMA24364-B2-L                     |
| Product weight by length         | 1.51 kg/m                          |
| Note on materials                | RoHS-compliant                     |
| Adapter material                 | Wrought aluminum alloy<br>Anodized |
| Material of screws               | Steel                              |
