

**Adapter**  
**VMPAL-F20-G1/4**  
Part number: 573914

**FESTO**

**Data sheet**

| Feature                          | Value                                                          |
|----------------------------------|----------------------------------------------------------------|
| Pack size                        | 10                                                             |
| Operating pressure               | -0.09 MPa...1 MPa<br>-0.9 bar...10 bar<br>-13.05 psi...145 psi |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress                                  |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L                                              |
| Ambient temperature              | -5 °C...50 °C                                                  |
| Product weight                   | 55 g                                                           |
| Pneumatic connection 1           | Cartridge 18 mm                                                |
| Pneumatic connection 2           | G¼                                                             |
| Note on materials                | RoHS-compliant                                                 |
| Housing material                 | Wrought aluminum alloy                                         |
