## Push-in fitting NPQH-DK-M7-Q6-P10 Part number: 578373

## **Data sheet**

| Feature   | Value  |
|---|--|
| Size  | Standard   |
| Nominal width                                   | 3 mm   |
| Tubing insertion depth                          | 15.8 mm  |
| Type of seal on screwed plug                    | Sealing ring   |
| Mounting position                               | Any  |
| Design  | Straight design  |
| Pack size                                       | 10   |
| Structural design                               | Push-pull principle  |
| Operating pressure for entire temperature range | -0.095 MPa2 MPa<br>-0.95 bar20 bar<br>-13.775 psi290 psi                 |
| Information on operating pressure               | Water: max. 0.6 MPa at 0 - 50 °C   |
| Certificate issuing authority                   | NSF C0523185   |
| Operating medium                                | Compressed air as per ISO 8573-1:2010[7:-:-]<br>Water (liquid, ice-free) |
| Information on operating and pilot media        | Operation with oil lubrication possible                                  |
| Corrosion resistance class (CRC)                | 3 - High corrosion stress  |
| LABS (PWIS) conformity                          | VDMA24364-B1/B2-L  |
| Cleanroom class                                 | Class 4 according to ISO 14644-1   |
| For use in the food industry                    | See declaration of conformity<br>NSF/ANSI 169                            |
| Ambient temperature                             | 0 °C150 °C   |
| Nominal tightening torque                       | 3 Nm   |
| Tolerance for nominal tightening torque         | ± 20%  |
| Product weight                                  | 9.7 g  |
| Type of mounting                                | Internal hexagon, AF 3   |
| Pneumatic connection 1                          | External thread M7   |
| Pneumatic connection 2                          | for pneumatic tubing outside diameter 6 mm                               |
| Note on materials                               | RoHS-compliant   |
| Housing material                                | Brass, chemically nickel-plated  |
| Material of threaded seal                       | FPM  |

| Feature                         | Value                           |
|---------------------------------|---------------------------------|
| Guard ring material             | PEI                             |
| Releasing ring material         | Brass, chemically nickel-plated |
| Material of tubing seal         | FPM                             |
| Material of tube retaining claw | High-alloy stainless steel      |
| Thrust ring material            | PEI                             |
