## Connecting cable NEBV-Z4WA2L-P-E-10-N-LE2-S1 Part number: 8047670

**FESTO** 

## **Data sheet**

| Feature  | Value                                       |
|--|---|
| Signal status display                          | LED yellow                                  |
| Additional functions                           | Protective circuit                          |
| Cable designation                              | Without label holder                        |
| Contact durability                             | 50  |
| Product weight                                 | 170 g                                       |
| Electrical connection 1, function              | Field device end                            |
| Electrical connection 1, design                | Rectangular                                 |
| Electrical connection 1, connection type       | Socket                                      |
| Electrical connection 1, cable outlet          | Angled                                      |
| Electrical connection 1, connection technology | Connection diagram ZC, metric screw         |
| Electrical connection 1, number of pins/wires  | 2   |
| Electrical connection 1, occupied pins/wires   | 2   |
| Electrical connection 1, type of mounting      | On air solenoid valve with M2 central screw |
| Electrical connection 2, function              | Control side                                |
| Electrical connection 2, connection type       | Cable                                       |
| Electrical connection 2, connection technology | Open end                                    |
| Electrical connection 2, number of pins/wires  | 2   |
| Electrical connection 2, occupied pins/wires   | 2   |
| DC operating voltage range                     | 20.4 V26.4 V                                |
| Nominal operating voltage DC                   | 24 V  |
| Surge resistance                               | 2.4 kV                                      |
| Reverse polarity protection                    | Bipolar                                     |
| Protective earth connection                    | Not available                               |
| Cable length                                   | 10 m  |
| Cable characteristic                           | Suitable for energy chains                  |
| Connector cable test conditions                | Test conditions on request                  |
| Bending radius, flexible cable installation    | 29 mm                                       |
| Cable diameter                                 | 2.9 mm                                      |

| Feature                                      | Value                     |
|--|---------------------------|
| Cable diameter tolerance                     | ± 0.1 mm                  |
| Cable design                                 | 2 x 0.14 mm <sup>2</sup>  |
| Nominal conductor cross section              | 0.14 mm <sup>2</sup>      |
| Degree of protection                         | IP65                      |
| Note on degree of protection                 | In mounted state          |
| Ambient temperature                          | -10 °C50 °C               |
| CE marking (see declaration of conformity)   | As per EU RoHS directive  |
| UKCA marking (see declaration of conformity) | To UK RoHS instructions   |
| LABS (PWIS) conformity                       | VDMA24364-B2-L            |
| Note on materials                            | RoHS-compliant            |
| Contamination level                          | 3                         |
| Corrosion resistance class (CRC)             | 3 - High corrosion stress |
| Material of cable sheath                     | TPE-U(PUR)                |
| Color cable sheath                           | Gray                      |
| Housing material                             | TPE-U(PU)                 |
| Housing colour                               | Black                     |
| Material of screws                           | Stainless steel           |
| Material of pin contacts                     | Copper alloy, tin-plated  |
| Insulating sheath material                   | PP                        |
