

# Reducing sleeve DARQ-R-A-S11-S9-11-P5

Part number: 8082131

FESTO

## Data sheet

| Feature                          | Value                                                   |
|----------------------------------|---------------------------------------------------------|
| Length                           | 11 mm                                                   |
| Pack size                        | 5                                                       |
| Structural design                | Internal square and external octagon<br>Reducing sleeve |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress                           |
| LABS (PWIS) conformity           | VDMA24364 zone III                                      |
| Product weight                   | 25 g                                                    |
| Connection 1, function           | Actuator outlet                                         |
| Connection 1, design             | SW11                                                    |
| Connection 2, function           | Reducing outlet                                         |
| Connection 2, design             | SW9                                                     |
| Note on materials                | RoHS-compliant                                          |
| Sleeve material                  | Sintered steel, stainless                               |
