

# Self-aligning rod coupler DARP-C7-U78-F

Part number: 8161155

## Data sheet

| Feature                        | Value              |
|--------------------------------|--------------------|
| Size                           | 7/8-14 UNF-2B      |
| LABS (PWIS) conformity         | VDMA24364 zone III |
| Ambient temperature            | -5 °C...120 °C     |
| Ambient temperature Fahrenheit | 23 °F...248 °F     |
| Note on materials              | RoHS-compliant     |
| Bushing material               | Steel, oxidized    |
| Housing material               | Steel, oxidized    |
| Spherical washer material      | Steel, oxidized    |
| Ball stud material             | Steel, oxidized    |
