

## Placa inseriere NAV-1/4-1C-ISO

Numar piesa: 10173

**FESTO**

### Fisa de date

| Caracteristica                 | Valoare                      |
|--------------------------------|------------------------------|
| Denumire conform VDMA          | VDMA 24345-C-1               |
| Conform cu standardul          | ISO 5599-1                   |
| Conformitatea LABS             | VDMA24364-B1/B2-L            |
| Greutate produs                | 240 g                        |
| Conexiune aer de control 12/14 | G1/8                         |
| Conexiune pneumatica 2         | G1/4                         |
| Conexiune pneumatica 4         | G1/4                         |
| Material carcasa               | Aluminiu turnat sub presiune |
