

## Kit adaptare HAPG-SD2-24

Numar piesa: 537177

**FESTO**

## Fisa de date

| Caracteristica                       | Valoare                                      |
|--------------------------------------|----------------------------------------------|
| Pozitie de instalare                 | orice                                        |
| Clasa de rezistenta la coroziune KBK | 2 - Solicitare moderata din cauza coroziunii |
| Conformitatea LABS                   | VDMA24364-B2-L                               |
| Temperatura ambianta                 | 5 °C...60 °C                                 |
| Greutate produs                      | 31 g                                         |
| Material adaptor                     | Aluminiu                                     |
| Material placa                       | Aliaj de aluminiu forjat                     |
