

## Fixare SMBN-10

Numar piesa: 537809

FESTO

## Fisa de date

| Caracteristica                       | Valoare                                      |
|--------------------------------------|----------------------------------------------|
| Dimensiune                           | 10                                           |
| Design                               | pentru canelura T                            |
| Clasa de rezistenta la coroziune KBK | 2 - Solicitare moderata din cauza coroziunii |
| Conformitatea LABS                   | VDMA24364-B2-L                               |
| Nota privind materialele             | Conform RoHS                                 |
| Material carcasa                     | Aliaj de aluminiu forjat<br>anodizat         |
| Material suruburi                    | otel inoxidabil inalt aliat                  |
