

## Set constructiv de baza HMVD-RP/FP-DL63

Numar piesa: 566880

**FESTO**

### Fisa de date

| Caracteristica                       | Valoare                                      |
|--------------------------------------|----------------------------------------------|
| Pozitie de instalare                 | orice                                        |
| Clasa de rezistenta la coroziune KBK | 2 - Solicitare moderata din cauza coroziunii |
| Conformitatea LABS                   | VDMA24364-B2-L                               |
| Greutate produs                      | 4300 g                                       |
| Nota privind materialele             | Conform RoHS                                 |
| Material adaptor                     | Aliaj de aluminiu forjat<br>anodizat         |
| Material suruburi                    | Otel                                         |
