

# Placă verticală de alimentare VMPA14-VSP-QS1/4

Numar piesa: 8110626

FESTO

## Fisa de date

| Caracteristica                       | Valoare                                       |
|--------------------------------------|-----------------------------------------------|
| Dimensiune grila                     | 14 mm                                         |
| Presiune de lucru                    | -0.09 MPa...1 MPa<br>-0.9 bar...10 bar        |
| Presiunea de control                 | 0.3 MPa...0.8 MPa<br>3 bar...8 bar            |
| Mediu de operare                     | Aer comprimat conform ISO 8573-1:2010 [7:4:4] |
| Clasa de rezistenta la coroziune KBK | 1 - stres redus la coroziune                  |
| Conformitatea LABS                   | VDMA24364-B1/B2-L                             |
| Temperatura ambianta                 | -5 °C...50 °C                                 |
| Greutate produs                      | 35 g                                          |
| Conector pneumatic 1                 | QS-1/4                                        |
| Nota privind materialele             | Conform RoHS                                  |
| Material placa de alimentare         | Ranforsat cu PA                               |
